Rare opportunity to own this storybook cottage with great curb appeal and European flair. Fabulous location, situated on one of the best streets in the heart of the Oxford Triangle. It is just minutes to Beaches and Harbor. It was built in 1959 by Mr. Heinrich, a German, master craftsman & cabinet maker for his own family. It maintains its original character with 2 bedrooms and full bath upstairs and powder room downstairs. The kitchen opens to a den which opens to the back yard. There is a large deck, brick courtyard and lush garden which is great for outdoor entertaining, enjoying sunsets and ocean breezes. The living room and dining room both feature wood floors and a cozy fireplace. There is an oversized detached garage in the back that makes a great studio. There is also plenty of off street parking in the driveway and an electric car charger. The home is immaculate and ready to move in. Located in the highly sought after Coeur d'Alene school district.

Built in 1959
