\$665,000

1 Bedroom, 1.00 Bathroom, 619 sqft
Residential on 6 Acres

N/A, Redondo Beach, CA

Premier location at the Village with expansive views to the South. The 660 Building is at the end of the condo buildings so does not look into any other buildings, just the ocean, Veteran's Park and Palos Verdes. Tree trimming scheduled soon will open up the view even more. The upgrades in this unit have to be seen to be appreciated. The charm, character and warmth are unsurpassed. The flower filled patio alone will have you the minute you step out onto it. Double paned French doors are just one of many high end upgrades. The living room has custom wainscoting and a fireplace which is very rare. The kitchen has been remodeled to open to the living room with a breakfast bar and stainless steel appliances, including a counter depth French door refrigerator. The bedroom has custom built-in shelving, wainscoting and a walk-in closet. The remodeled bathroom has a pedestal sink, shower/tub combination and custom lighting and cabinetry. Tandem parking for two cars in the garage is very convenient as well as community laundry. No quarters needed. You can use an app on your phone to pay for laundry. The beach, renowned restaurants, marina, pier and bike path are all just steps away. Resort style amenities include two pools, firepits, barbeques, fitness center, deli, walking paths with streams and water features throughout. It is a pet friendly complex with a size limit. HOA dues are the lowest in the area.
