Alamitos Beach (AB), Long Beach, CA

This timeless 1905 Craftsman bungalow has modern updates throughout. There is a charming front porch entryway leads you to an open floor plan. The kitchen has been updated with modern cabinetry and stainless appliances to create a contemporary feel inside of the classically styled exterior. In addition there are two bedrooms, a full bath, and a inside laundry room on the first floor. As you go up the spiral staircase you'll find a beautifully finished attic/loft bedroom and 3/4 bath. There are two sky lights that offer lots of lighting throughout. Off the master bedroom you'll find an outdoor patio area that has been privatized with Tigerwood slat fencing, Trexx Decking, and there is parking for two cars with an automatic gate. Other updates include a newer roof, plumbing, electrical and some new windows. All of this is within walking distance of Long Beach's finest restaurants, shops, and entertainment (Art Theatre, 4th St. Vine, Portfolio Coffeehouse, Lola's, Number Nine, and more.) As well as just a few short blocks from the expansive beach that gives the city it's name. Don't hesitate to see this one.
