3 Bedroom, 1.00 Bathroom, 1,001 sqft
Residential on 0 Acres

N/A, Westchester, CA

Welcome to this delightful find in the heart of the Westchester! The home's interior offers a contemporary color palate and upgrades throughout, such as an updated coastal cottage inspired kitchen featuring a subway tile backsplash, stainless appliances, a vented range hood and large farmhouse sink. The kitchen has direct access to a covered patio area that overlooks the landscaped yard - a great space for stepping out to enjoy al fresco dining in the near perfect, beach-influenced weather. The living room centers around a cozy brick fireplace surrounded by a crisp, white mantle. Recessed lighting, plantation shutters, gleaming hardwood floors, and ceiling fans in the bedrooms are just some of the upgrades to be enjoyed. The bathroom offers a separate tub and step-in shower with overhead rainfall faucet. Updated hex tile floors and subway tile accents tie the bathroom to the theme of the entire house. A detached, two car garage provides plenty of extra storage options, with potential for an informal conversion as a rec room, while the long driveway offers plenty of off street parking. The large, private backyard is perfect for outdoor entertaining and even offers potential for expanding the home in the future. Close to schools, recreation, community gardens and within a few minutes of Loyola Marymount's campus, and only a few minutes from LAX, the home offers an ideal central location.
