Must see to believe!

This recently remodeled and now freshly painted interior home offers a stunning view of the Pacific Ocean from Santa Monica to Catalina Island and more. The elegant entrance showcases the beautiful marble floor that leads into a spacious entertainment area with wall-to-wall floor-to-ceiling glass windows and an unobstructed view of the Pacific Ocean and the Trump Golf Course. The spacious living room offers the warmth of a beautiful fireplace, along with a full wet bar for the entertainment of both friends and family alike. The downstairs accommodations offer two bedrooms. One with its own on-suite and the other with a full bath just across the hallway along with its own entertainment area and an indoor gym and sun room. On the third floor you'll find a spacious master bedroom with plenty of closets space, a large walk-in closet plus ample extra storage. Large soaking tub with its own beautiful view along with a walk-in shower fit for a king or queen and a second bedroom/office and private on-suit. Just outside the kitchen is an outdoor entertainment section that features a large barbecue along with ample space for guests, floor to ceiling glass walls as a wind block with four gas space heaters for night time comfort. It also features three levels of beautifully landscaped property for entertainment or just an Oasis paradise.
